10828 Littlerock RD SW, Olympia WA 98512 (360) 352-1614 • Fax: (360) 352-1696

**Date: 8/1/2022**

## **\*Request for Quote\***

### **Bid Notice**

#### **Overview:**

The purpose of this Request for Quote (RFQ) is to invite qualified contractors to submit a bid response and statement of qualifications to install a Clear Aliphatic Urethane (CAU) floor covering on fire apparatus bay. The existing CAU cover will need to be removed, the floor prepared and new material applied.

Please submit an electronic copy of your response to the RFQ to the primary contact below no later than 4:00pm on August 31<sup>st</sup>, 2022:

5. Addition of apparatus bay floor striping as defined by the customer.
6. Application of new Devthane by Devoe High Performance Coatings (equal or greater quality) Clear Aliphatic Urethane Finish.
7. New floor coating should be in a thickness to withstand heavy use of apparatus continually as this is a 24-hour working firehouse.
8. Material thickness shall meet or exceed those requirements for heavy use.
9. Floor finish shall have a high-gloss finish.
10. Floor shall have anti-slip or slip-resistant pads placed on bay floor in a location determined by the customer.
11. Vendor shall use the best practices in application to ensure for proper coverage and for long term wear and tear use under heavy vehicle use conditions.

### RFQ Requirements and Parameters

- Bid quotes must be fully encompassing of the entire scope of the work as “turn key” which is including but not limited to;
  - A timeline of anticipated completion of the project shall be provided by the bidder.
  - The scope of this work is to be completed by the calendar end of 2022 unless agreed upon by the RFA
- Movement of apparatus out of and into the facility shall be done at the direction and cost of the RFA.
- Prices shall include all fees associated with your proposed solution(s). All prices offered in the proposal shall be firm and will not increase for 30 days from the effective date of the proposed contract or quote.
- All work to be completed during normal business hours (M-F, 8A-5P) unless otherwise agreed upon between vendor and customer. When applicable, all work is expected to be completed by 5pm.
- Work will be done so as not to disrupt normal business operations for the agency.
- The RFA reserves the right to reject any or all bids, to waive variations or informalities, and to negotiate changes, additions, or deletions. The RFA is not required to negotiate such changes, additions or deletions, or waive variations or informalities. The RFA reserves the right to accept the bid it deems to be in the RFA’s best interest from the most qualified, responsive and responsible bidder, and will not necessarily be obligated to accept the lowest bid.
- The RFA reserves the right to extend the timeframe to submit bids, as well as extending the timeframe to open the bids.
- Any price revisions shall be based on industry price changes and supported by documentation and adequate detail. Price revisions shall not be implemented without prior consent from the Administrative Services Director.
- All fees associated with your proposed solution(s) must be specified, including but not limited to service fees, product, permits (if applicable), etc.
- All vendors are required to pay prevailing wages. Prevailing wage rates can be found at <https://lni.wa.gov/licensing-permits/public-works-projects/prevailing-wage-rates/>.
- Any and all warranties of work product and workmanship shall be identified in the RFQ.
- The WTRFA will not be liable for any errors in any bidder proposal and bidders will not be allowed to alter or modify bids after the bid submittal deadline.
