### MEMBERSHIP APPLICATION

We appreciate your interest in being a volunteer with West Thurston Regional Fire Authority. We want all of our potential volunteers to have a good understanding of our district requirements for volunteers; these requirements are put into place to ensure the safety of our volunteer and career staff as well as those in the community that we serve.

West Thurston Regional Fire Authority is an ever evolving volunteer fire department that is supported by career firefighters. We are offering opportunities in clerical service, public education, emergency medical care and fire suppression.

Our policy requires that you have a good driving record, pass a criminal background check and complete a physical ability test. If you feel you meet the standards, please complete the application and return them to us. The driving record and criminal background check will be conducted after acceptance to West Thurston Regional Fire Authority.

Once we have reviewed your application and contacted you, you will begin the testing and interview process. Whether you want to be a firefighter or EMT you will be required to complete the entire process. We conduct physical and written testing as well as oral board interviews on a monthly basis, you will be contacted with the next testing date.

- The physical ability test consists of timed exercises that relate directly to fire service work and require a better than average fitness level to pass. (Regular exercising is recommended)
- The written test is to test your abilities in reading and basic math as it relates to fire service.

Upon completion and passing of the written test as well as completion of the oral interview and have been accepted as a volunteer, you will be asked to get a DOT physical exam (we will give you the proper forms upon successful completion of testing.) At this time, you also be provided with the necessary paperwork for passing a driving record and criminal background check.

Becoming a volunteer firefighter or EMT takes a lot of time and hard work. Once you have completed our testing and application process you will be scheduled to begin training and be issued gear and a uniform (you need to provide your own footwear and belt);

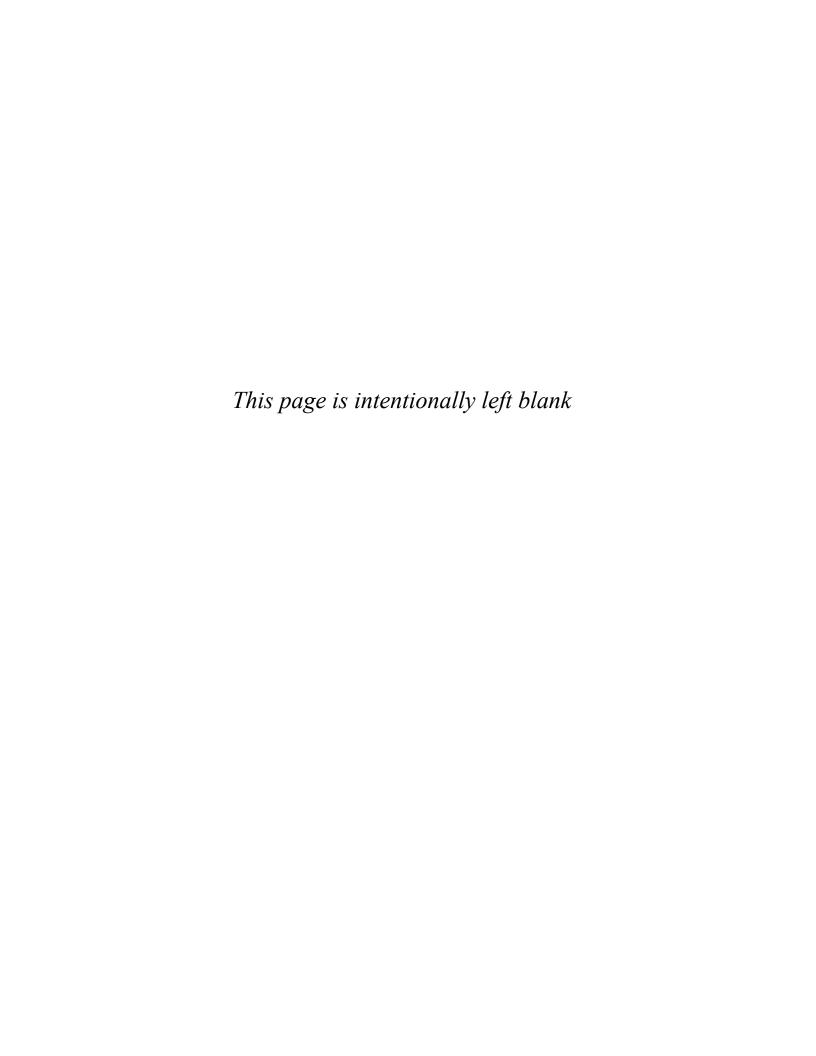

- Fire academy is held twice a year and includes over 130 hours of training on weeknights as well as multiple skills weekends. (Failing to attend all classes and skills weekends will result in failing the academy)
- The Medic One EMT course is over 150 hours including evenings and some weekends. (Failing to attend all classes and practicals will result in failing the course)
- Both Fire Academy and EMT class is held twice a year. Sign-up for these classes are approximately every February (Spring class) and July (Fall class).
- You will be expected to attend a Thursday night weekly drill with a PACT Officer who will provide valuable training and prepare you to be successful in your classes.

Once you have completed the academy or EMT course you will be assigned to shift at one of our stations in Grand Mound, Rochester, Littlerock, or Maytown (based completely on district needs). You will participate in community events and attend regular training. You will be expected to respond to emergency calls and assist in maintaining our apparatus, equipment and stations.

Shifts are every nine days. Weeknight shifts begin at 6:30pm and go until 6:30am. Weekend shifts are 24 hours; they begin at 7:30am on Saturday or Sunday morning and continue until 7:30am on Sunday or Monday morning (respectively). Once you are assigned to a shift, you are required to be there, if you can't make it then you are responsible to find a replacement and notify the officer in charge. Remember, firefighting/EMS is the only **profession** you can volunteer for!

Thank you for your time and interest. We look forward to hearing from you soon.

If you have questions about volunteering with West Thurston Regional Fire Authority; please contact Andrea Reynoldson at 360-352-1614 or via email at: Andrea.Reynoldson@wtrfa.org

#### CONVICTION/CRIMINAL HISTORY INFORMATION

This form must be completed to be considered for employment

When considering individuals for employment (both career and volunteer), conviction/criminal history records are reviewed as they are related to the content and nature of the work, and the safety and security of the fire district staff and the public. A conviction/criminal history does not necessarily disqualify an individual for employment/volunteer membership. Criminal history records will be subject to a satisfactory criminal conviction report. Applicants will be asked to sign a separate release form. Applicants who do not sign the release will be removed from the consideration for the employment/volunteer membership.

\*Note\* If you have had a felony arrest, you can not proceed with the application process. If you have had a misdemeanor crime against person within the past 10 years, or any other misdemeanor arrest within the past 5 years, you may not proceed with the application process.

#### **DRIVING RECORD EVALUATION**

This form must be completed to be considered for employment

All applicants for career and volunteer positions with West Thurston Regional Fire Authority will have their driving records evaluated. West Thurston Regional Fire Authority uses the violation points system listed below. If your permanent driving record reflects a total of six (6) points or more for a period of 36 months (3 years) preceding the date of your application, you will not be allowed to continue the process. Therefore, if you know that your driving record is less than six points, you may apply. However, any new violations that occur before the completion of the probationary process, which put your total score over six points will disqualify you. Annual evaluation of a member's driving record may be made during a member's employment or volunteer service. Any current member found in violation of this evaluation will result in the suspension of the driving privileges and/or termination of employment with West Thurston Regional Fire Authority.
