6/17/2019

To whom it may concern,

The West Thurston Fire Association is hosting the third annual Brent Strong 5K walk and run. The race is in remembrance of one of our very own firefighters Brent Strong, who passed away last year from line of duty related cancer. With this race we hope to raise money for the West Thurston Fire Association, as well as bring awareness to the public the different dangers their local firefighters are exposed to during fire related emergencies.

It would be a tremendous help to our fundraising efforts if your business would be willing to make a donation to sponsor a portion of our 5k. Any contribution large or small would be greatly appreciated, whether that is through funding or donation of support items for the racers. If you choose to fund a portion of the race, your funding will be used toward reserving the space and purchasing items that will be used to support the racers. Your donation will be instrumental in developing this event.

We hope to make the Brent Strong 5k an annual event that will bring the public and its EMS providers together for a fun race to honor the memory of fallen firefighters like Brent Strong, who gave their lives for their community.

Any donation can be sent to the address above or let me know and I can pick it up as well. The race will be taking place Saturday, September 14th. It would be greatly appreciated if sponsorships can be submitted no later than a week prior, unless a perishable item. If so, please let myself know and I will be able to pick up any donated product the morning prior.

We thank you in advance for your consideration and support; all sponsors will also be allotted a space in our advertising as a thank you for your contribution. If you decide you would like to sponsor our race contributions can be made out to *West Thurston Fire Association*. Please call me or email me if you have any questions or concerns at 360-352-1614 or jessica.joslin@westthurstonfire.org.

Sincerely,

Jessica Joslin
