### WHEN EVERY SECOND COUNTS, CAN WE FIND YOU WHEN YOU DIAL 911?

West Thurston Regional Fire Association is now offering LIFESIGN, a highly reflective address sign designed to help emergency responders locate your home quickly—day or night, rain or shine.

These weatherproof, double-sided aluminum signs (6" x 18") are coated with the same reflective material used on highway signs and are visible from up to 300 feet away. They can be mounted vertically or horizontally on a post, fence, or mailbox, ensuring your address is clear and unmistakable in any condition.

A **LIFESIGN** could save your life, the life of a loved one, or even your home in an emergency.

West Thurston Regional Fire Association, a registered nonprofit, is selling these custom-made signs to raise funds in support of our community.
